# Other question about accessing work

## I don't have Microsoft office on my device

You can download Office onto your own device for free from school. Please follow the instructions (on the school website when you log in)

The screenshot shows a school website with a dark green navigation bar containing links for 'My courses', 'My Files', 'My Mail', 'Links', 'Exam Info', and '6thFireReg'. Below the navigation bar is a school crest and the motto 'For we know that if the earthly tent we live'. The main content area features two boxes: 'REMOTE DESKTOP AND FREE OFFICE SOFTWARE' and 'USE OUR WIFI'. The 'REMOTE DESKTOP' box contains text about accessing a school computer and downloading Microsoft Office, with a green button labeled 'Click for more info' circled in red.

The screenshot shows an email client interface with a 'New mail' button at the top. A dropdown menu is open, showing options like 'Create new folder', 'Rename', 'Delete', 'Empty folder', 'Remove from Favorites', 'Move...', 'Recover deleted item', 'Mark all as read', and 'Permissions...'. The 'Empty folder' option is circled in red. Below the dropdown, the 'Deleted Items' folder is also circled in red.

## I am not receiving emails

This is usually as your mail box is full – this will stop you from receiving any more emails. Please ensure that you delete emails that you have read and finished with and then go to your deleted items and delete all of those emails. This should be done frequently – so you don't miss any important information.

# Looking after yourself

<https://youngminds.org.uk/blog/what-to-do-if-you-re-anxious-about-coronavirus/>

- Feeling concerned or overwhelmed by the news is understandable
- It is really important for your mental and physical health that you try and to take a break from continually checking your phones and devices for updates and information.
- It is right that you want to stay informed. Use factual websites to help you with this (NHS website and government guidance).

**What to do if you're anxious about coronavirus**

12 March 2020

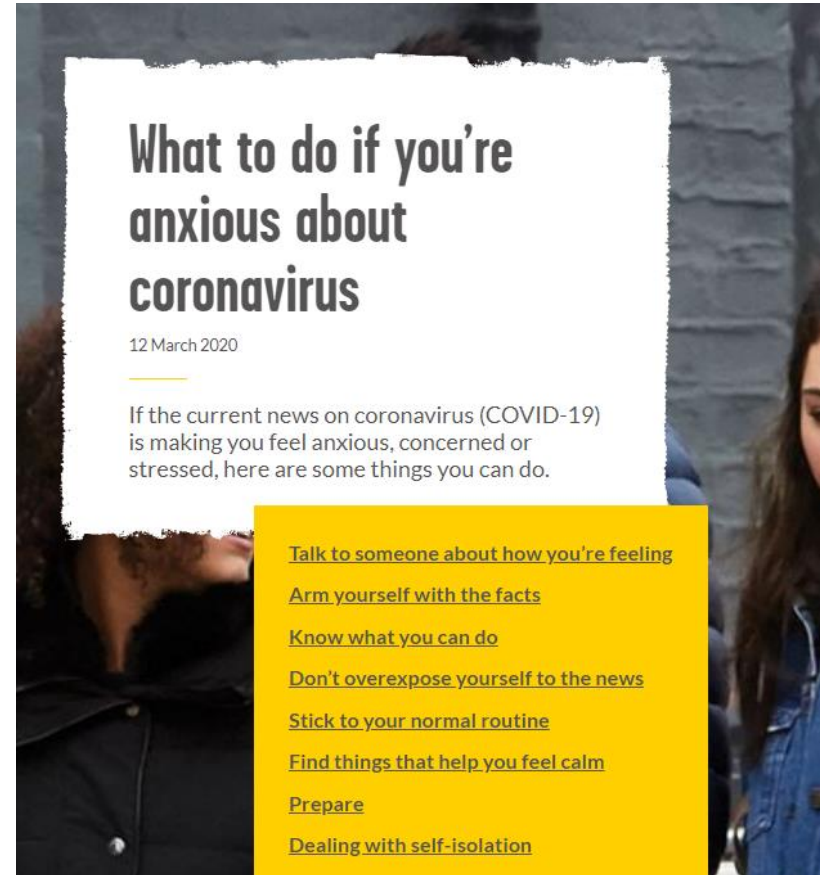

If the current news on coronavirus (COVID-19) is making you feel anxious, concerned or stressed, here are some things you can do.

- [Talk to someone about how you're feeling](#)
- [Arm yourself with the facts](#)
- [Know what you can do](#)
- [Don't overexpose yourself to the news](#)
- [Stick to your normal routine](#)
- [Find things that help you feel calm](#)
- [Prepare](#)
- [Dealing with self-isolation](#)

# Looking after yourself

<https://youngminds.org.uk/blog/what-to-do-if-you-re-anxious-about-coronavirus/>

- Handwashing remains the most important thing you can do to slow the spread of the virus.
- Keep everyone affected in your thoughts and prayers, be kind to each other and follow advice you are given and we will support each other together in coming through this.

**What to do if you're anxious about coronavirus**

# Main Messages

Look after yourself.

Work will be set by your teachers through SMHW and Group Directories.

If you are e-mailing your teachers, use your timetabled slot when they would usually teach you to do this.

Take your exercise books home (there are spare ones to collect at the end of assembly)

If there are other websites that you use in certain subject areas, check that you know your user names and log ins. Your teachers can help you with this.

You can download Office for free by following the link on the school website
