

Supporting India in its Fight against Covid

India is facing a devastating second wave of coronavirus. The country has confirmed more than 16 million cases and more than 200,000 deaths,

The pandemic has put a strain on the medical infrastructure of the country, with hospitals unable to cope with the influx of patients.

Urgency to reach out

“We are faced with a massive challenge of preventing our healthcare system from further collapse until enough people can be vaccinated to significantly reduce the flow of patients.” **Caritas, India**

Our support can give hope

CAFOD has launched an urgent appeal to respond to the escalating situation in India. If you are able to donate it would help to express our solidarity with our brothers and sisters in their moment of need.

To donate, search 'CAFOD India Appeal', or follow the link in the news article on Notre Dame's Homepage.

A Prayer of Solidarity

We pray in solidarity for our sisters and brothers suffering from Coronavirus.

May they receive the care, and healing that they require.

We pray for those providing life-saving services.

May they find renewed strength and hope through our support.
